Expectations of Students

- ★ Be accountable for your learning
- ⋆ Try your best
- ⋆ Share
- ★ "Be Present"

Be prepared (materials and attitude)

Parents & Guardians

Please...

- Encourage your student to initiate contact with me first—then follow up to make sure they did
- Encourage your student to check their grades on PowerSchool
- Check your student's planner

Teacher Expectations

- Create a safe classroom environment where learners with diverse needs and learning styles will be successful
- Communicate effectively with all parties
- □ Be transparent in grading, assignments, etc.
- Be prepared
- Be flexible

Hold high expectations for conduct and achievement

Academic Routines Students will ...

- Choose and read books that they enjoy for Silent Sustained Reading (SSR). Independent reading will further develop each student's: reading identity; increase their fluency, comprehension, and vocabulary; and practice metacognition.
- Develop a writing piece through the Writer's Workshop model.
- Learn how to transfer knowledge of Greek & Latin roots and affixes to other disciplines.
- Engage with their peers in in-depth discussions, problem solving, and a clarification of ideas while participating in seminars and Literature Circles.

Citizenship

Refer to your student's planner to learn about Slauson's citizenship grades.

- A "3" describes a typical middle school student.
- A "1" or "2" means that student is a leader. This takes conscious and consistent effort.
 - This is not just about being quiet and doing what you are told. This is about being an active member of a classroom who reflects, collaborates, perseveres, and problem-solves.
